

UL APPROVAL

(Standard of UL 969)

The UL approval of Thermal Transfer Ribbon is recognized for the combination of Thermal Transfer Ribbon and receiving materials by the UL in the USA

Table of Contents:

The information contained in this table comes from the Underwriters Laboratories Inc web site:
<http://www.ul.com/>

All information are not in the table. The site could be consulted in the following way:

- Select “ certifications “
- Put the company name or the UL file number in the field “ Begin a basic search ” and clic to “ search “
- Select the UL file number in the table which corresponds to the category “Printing Materials – Component ”
- Find in the list the material reference and check the combination which obtained the UL Approval
- Check the compatibility
